

GREETING CARDS

There is nothing more welcome than a cheerful card! Use your talents to help create cards for all occasions. These special cards can be given to rest homes, youth centers, and other community agencies to help individuals feel loved and to foster communication within families.

Supplies Needed:

Scissors or a cutting tool
Glue stick or Mounting tape
Blank card (You may use a folded piece of cardstock)
Embellishments such as ribbon, buttons, stickers, paper designs, etc.

Instructions:

1. Greeting cards are so fun and easy to make, so enjoy the process!
2. Begin with a blank card or make one by folding a piece of paper in half vertically or horizontally. You can even leave it flat and make a place card.
3. Once you have prepared your cardstock base, simply add embellishments to the card. Your card can be as simple, creative, or unique as you choose!
