

Hexagon & Heart Card

#1

ONLY use glue dots where instructed:

Step 1: thread ribbon or lace through holes on top of brown cardstock and tie in a knot. Trim ends leaving small tails

Step 2: using glue dots in corners, use 4 to tack down brown cardstock to white card base.

Step 3: using glue stick adhere hexagon at bottom right corner

Step 4: using glue dot adhere chipboard heart on hexagon

Step 5: using the metal brad, poke through center of butterfly and then push through card and open to secure it to the card.

Boy Bow Card

#2

ONLY use glue dots where instructed:

Step 1: Using a glue stick, glue large rectangle patterned paper to the bottom, front of the card. (Patterns may vary.)

Step 2: Glue LONGEST strip of paper across the top of the patterned rectangle with a glue stick.

Step 3: Using the longest of the 2 remaining strips of paper, fold each end to the center and use a glue dot to secure each end to the center to form a bow.

Step 4: Use the last strip of paper to wrap around the bow center. Use a glue dot to secure in place.

Step 5: Use a glue dot to adhere bow to card, as pictured.

Flower Power Card

#3

ONLY use glue dots where instructed:

Step 1: adhere flower paper to top half of the card using glue stick.

Step 2: adhere green paper to bottom half of the card using glue stick.

Step 3: trim long chipboard border to fit the width of the card. Using glue dots on each end, adhere to card hiding paper seams.

Step 4: using glue dot adhere jewel to center of flower, and flower to the bottom right corner of the card

Hi Card #4

ONLY use glue dots where instructed:

Step 1: adhere green pattern paper strip $\frac{1}{2}$ in down from the top of the card. This helps to use as a guide in next step.

Step 2 with glue stick adhere the 2 squares and 1 rectangle piece to the center of the card with glue stick leaving a little space between them. Using green strip as a guide to keep them all straight.

Step 3: using glue stick, adhere bottom green pattern strip along squares.

Step 4: glue dot “HI” chipboard on bottom right corner, take brad and push through card next to the chipboard. Open to secure on back.

Strips & Stripes Card

#5

ONLY use glue dots where instructed:

Step 1: adhere rounded corner strip at the top of card, with glue stick

Step 2: adhere next 3 straight strips to card under first strip. With glue stick

Step 3: adhere final strip with rounded corners to bottom of card with glue stick

Step 4: with 2 glue dots, 1 on each end, adhere chipboard piece to bottom right corner of the card.
