

Ribbon Christmas Stocking Instructions

1. Place one side of the stocking down on the table with the toe facing left. Make sure there are no tracing marks visible on the stocking.
2. Lay out ribbons on stocking arranging them so they all fit the width of the stocking. Fold under edges of ribbon to create a finished look.
3. Place a line of glue on each piece of ribbon then place ribbon on stocking. If ribbon has right and wrong side to it, please make sure the right side of the ribbon is facing up.
4. Repeat with remaining ribbons placing them an equal distance apart.
5. Please make sure all pins are removed.
6. Place stocking in zip lock bag.

Thank you for your service.
